

# A Practical Commentary Upon the First Epistle of St. Peter, Vol. 1 : And Other Expository Works (Classic Reprint)

Robert Leighton

Excerpt from A Practical Commentary Upon the First Epistle of St. Peter, Vol. 1: And Other Expository Works A New edition of Archbishop Leightons Works being called for, it was thought desirable to accompany it with a more complete life, than has yet been given to the world, of their venerable author. To accomplish this object no trouble and expense have been spared by the publisher. Old sources of information have been explored anew and inquiries have been instituted wherever there was even a faint prospect of collecting materials, which had escaped the diligent search of former biographers. It was indeed to be apprehended that, after the lapse of nearly a century and a half, little would be obtainable from local recollections and that the voice of tradition, if not totally silent, would speak only in broken and indistinct murmurs. And such in some degree is the case. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
