

# Poverty in Iraq : USA-UK Invasion to Iraq

Prof Hammad Nawaf Farhan

The Iraqi citizens live below the poverty line for successive tragedies. Furthermore, many disasters have passed Iraq since the Iraqi-Iranian war which began in 1980 and continued 8 years. In addition, the occupation of Kuwait by Iraq in 1990 increased society problems. Following that, sanctions and the economic blockade period had continued more than 12 years. Moreover, the period of the invasion and occupation of Iraq which led by USA between 2003 and 2011. The worst, governments that came loyal to Iran could not control on administration corruption, murder and militias. 1/3 Iraqi families are homeless and abandoning the country to Europe. In addition, the poverty rate exceeded more than 30%. All of these circumstances have made Iraqis living on garbage heaps. Moreover, tens of thousands of graduated colleges, institutes and masters and doctoral degrees are still without work. In a country that floats on lakes of oil and gas. Iraq was one of the richest countries in the world during 1970s. Today, due to the US-UK invasion and occupation Iraq became the poorest country in the world. Iraq was to attract workers and skills from around the world to work in the major development and development projects set up by the State for the advancement of the Iraqi economy. Iraqi state has provided jobs for all the unemployed, including graduates of colleges and institutes and higher-education degrees in 1970s. Today, the percentage of unemployment arrived at the terrible figures in a state floats on lakes of oil and gas. Therefore, this book and the following books will show readers worldwide the great tragedies experienced on the Iraqi people. Poverty, Hunger, Children deprived of schools, Women, Diseases, Epidemic diseases, Unemployment, Disabled and Injured people by bombing cars, Missing persons, Ignorance and Illiteracy. Now, Iraq has become worse after it was the flag at the forefront of the world. These reasons and others encouraged me to write this book (Poverty in Iraq) and others. This book will review the following circumstances, which are together behind poor problem in Iraq. Chapter 1: General introduction. Chapter 2: Iraqi-Iranian war (1980-1988). Chapter 3: Occupation of Kuwait by Iraq in 1990. Chapter 4: Effect of sanctions on life in Iraq. life. Chapter 5: Effect of invasion on Iraqis life. Chapter 6: Role of militias, corruption and violence on poverty. Chapter 7: Iraqis Women and Child case. Chapter 8: Poverty, unemployment and education. Chapter 9: Iraqi Dreams. Chapter 10: General conclusions. We authored this book to focus on the most important psychological aspects, humanitarian and social and material hit the Iraqis because of the US invasion of Iraq since 2003: Next book will explain in more details (Women and Child Case in Iraq). There are some pictures in the end of this book show readers, effects of invasion by the USA on life of Iraqi people. Women and Children are eating from garbage heaps.
