

PowerPoint Video Magic : A Skill Booster Guide on Using Microsoft PowerPoint for Professional Video Production

Partha Bhattacharya

Secrets of Awesome PowerPoint Video You Wish You Knew! Anyone Can Create Professional Video Using PowerPoint Presentation. Are You One of Them? This book, PowerPoint Video Magic, is a skill booster guide on using Microsoft PowerPoint for professional video production. The cost is minimal, and the tools you get are extremely user friendly, so it's the perfect way to start making video for your business even if you have never made any. Make No Mistake. Your Business Depends on Video to Attract Customers and Retain Them. There Is Simply No Other Better Way. In this book I teach you how to take all your PowerPoint presentation skills (and some you may not have yet) and turn them into video production skills. This type of content creation is ideal for businessmen, marketers, educators, and everything in between. What's Great - You Get Video Lessons & PowerPoint Templates FREE With The Book! PowerPoint is a familiar tool, and for many of you, creating a slideshow is like child's play. In this book you will come across lessons that pick up from the very beginning, and then guide you through the techniques required for making a wide range of videos for various needs. There is now NO reason why you can't make video that your visitors simply LOVE! Why Wait! Scroll Up And Grab Your Copy Now.
