

Power Animals : How to Connect with Your Animal Spirit Guide

Steven Farmer

In this fascinating book, Steven Farmer guides you through a journey on the accompanying audio download to discover and connect with your power animal. Once you've determined who your power animal is, you can refer to the text to learn what this says about you, find instructions on how to call upon the spirit animal, and read a channeled message for you from that animal spirit. You'll also find out which animal spirit to call on for particular situations, and additional tracks on the audio will help you consult your power animal as an oracle. Your power animal will not only help you develop a greater sense of personal and spiritual power, but will also help you heal physically, emotionally, and spiritually—as well as guide you through difficult life transitions. Working with your power animal will put you in touch with your own instinctual nature, thereby increasing your intuitive awareness and enhancing every area of your life.
