

# Power of Planning - Vietnamese Young Adult

Lesley Brooks, Le Quang Vinh

Educators teaching students Vietnamese and those teaching English to Vietnamese-speaking students have identified this book as a unique opportunity to address language needs with a topic so closely related.

- [Power Systems and Renewable Energy : Design, Operation, and Systems Analysis](#)
- [Power in Flight](#)
- [The Power of N](#)
- [Practical Drug Therapy](#)
- [Poverty Alleviation, Institutional Development and Needs Assessment](#)
