

Power of the Original Church : Turning the World Upside Down

Joseph L. Jr. Green

For too long Gods enemy has effectively separated the Church from the true Word of God and Gods appointed times. This has caused the Church to lack power and influence. Modern-day churches are shells of the original Church that turned the world upside down. The Power of the Original Church practically and biblically deals with the tragedy of how todays churches are not as effective as they could be. You may ask, Why should I care? Until believers care about how powerful the Church is in their community and nation, the enemy will continue to take more and more souls from Heavens gates. You may not recognize your surroundings in the future if Christians dont take a stand now. Gods way is about relationship and not religion. Through the Word of God you will be empowered, and truly the original Church can be restored in these days.
