

Powerless : In a World of Superpowers, What Happens When You Have None?

Niall McCreanor

Part 1: Powerless, focuses around Lee Sopota, an average man in a not so average world. Due to a premature birth Lee has not developed powers like everyone else on the planet and must hide it from those he loves. Lees thirst for knowledge leads him on the trail of a far reaching government conspiracy. While investigating his beloved brother goes missing and Lee must use all the training instilled in him by his father to find out what happened to his brother. Where he comes face to face with an undefeatable foe.
