

Practical Die-Making : A Collection from the Latest Information on Dies and Die-Making (Classic Reprint)

Fred Herbert Colvin

Excerpt from Practical Die-Making: A Collection From the Latest Information on Dies and Die-Making The best information in any line Of work does not come from the work Of any individual but from the combined experience of many. Each contributes his share and the combination gives us a far wider range of information than we could secure in any other way. SO in compiling this book it has been the aim to secure facts and examples from many sources in order that every reader may find some Of the work just suited to his needs. no originality is claimed and full credit is given so far as possible in the list of authorities in another part Of the book. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works.
