

Practical Flying - Complete Course of Flying Instruction (Wwi Centenary Series)

W G McMinnies

The Royal Air Force is in the throes of creation, and the strong individualities of the Royal Naval Air Service and the Royal Flying Corps are in the course of fusion. It is the work of a Royal Naval Air Service officer, and besides being a valuable addition to existing official publications, it reveals to the pilots of the Royal Flying Corps the principles and methods of the Service with which they are to share a glorious future. This book is part of the World War One Centenary series creating, collating and reprinting new and old works of poetry, fiction, autobiography and analysis. The series forms a commemorative tribute to mark the passing of one of the worlds bloodiest wars, offering new perspectives on this tragic yet fascinating period of human history. Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context.
