

Practical Fruit Culture (Classic Reprint)

Joseph Cheal

Excerpt from Practical Fruit Culture Much interest has been awakened in the country of recent years in the question of the cultivation of fruit and though the statements of some of its advocates are obviously exaggerated, there can be no doubt that if the subject was better understood and the knowledge properly applied, a considerable portion of the trade, of which foreign growers now reap the advantage, might be kept in the hands of the English cultivator. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works.
