

The Power Within a Poem

Alliance Poets World-wide

A most wonderful poetry book featuring Erich J Goller the P.F.P. challenge master at the Writers & Poetry alliance plus eighteen other poetry members that includes some of the most published well known poets of today...Within the books pages you will see a starter poem that the poets have been challenged to create another one from, with new title, rhyming or not with no more than 20 chosen words. The inspired variety is immense and as you read the pages you will certainly be impressed at the poets efforts and the poetry so diverse created from the one in challenge...
