

# The Power of Christ to Deliver, Heal and Prosper

Bassey J S Efiok

This book presents exciting truth that can literally set you free from whatever may be limiting you from living life to your full potential. It explains the forces that shape the outcome of human life. Why do some people easily achieve much success, fortune, peace and happiness whereas, others are continually entangled in failures, misfortune and mediocrity? Like it or not, dark forces do cause us myriad problems including sicknesses, diseases, poverty, financial loses, disfavours, and even premature death. They manipulate people into committing heart-breaking crimes against innocent people. They cause many to become addicted to obscene lifestyles that end up destroying their families, career, health and prosperity. That these things are real and affect many, is undeniable. What most people often deny is the fact that there is an ultimate solution. There is a Deliverer, a Healer, and a Christ who has the power and willingness to deliver people from these torturous adversities, and to bless them with a life of success in which they can live up to their full potential. Take a look at the endless and everlasting blessings with which Christ has bestowed on you. Discover the superior wisdom and power with which He destroyed the forces of darkness in order to deliver and heal you. If you ever become a victim of these dark forces, learn how to defeat them by the superior power of Christ. Recognize the symptoms of spiritual attack through dark practices such as witchcraft, sorcery and even generational curses, and learn how to defeat them. The power of Christ to deliver, heal and prosper is a dynamic tool in the hand of a Believer.
