

The Power of Goal Setting

Gabriel Aryeetey

Many people full of great potential meander through life without a clear cut vision of what they want to achieve in life. They find themselves going with the flow of what life has to offer without proactively designing their own future first on blueprint like you would have the architectural blueprint of a building on paper before its built. In this book Gabriel Aryeetey teaches on one of the most important skills in life all high achievers and peak performers engage. He elucidates on the incredible power behind goal setting with practical examples from accomplished achievers and his own experience.
