

# The Power of God to Heal : All the Healings in the Bible to Help You Heal Yourself and Others

George Frederick Garland

As evidence accumulates regarding the effect of thought and emotion on health, more people are investigating spiritual healing. This book supports this search by compiling all the healings to be found in the Old and New Testaments. Reading these passages will give you insights into the process of Christian healing and you will feel a beneficial effect. The healing experiences can inspire caregivers, health-care professionals, and workers in the psychological and spiritual fields. Discerning titles and subtitles help you relate to biblical events and teachings. 228 Old Testament healings and prayerful passages: These narratives reveal how the patriarchs and prophets, such as Elijah and Elisha, triumphed over a range of difficulties that still challenge people today. 176 New Testament healings and inspiring passages: All the great deeds accomplished by Jesus and his followers are here. He expected that all who believe his teachings would follow his example by healing sickness and sin, and by mastering adverse circumstances. We can rise to this challenge! This book records biblical cures of deafness, lameness, blindness, mental illness, deformity, and the effects of accident. It describes miracles such as the expansion of food supply, protection from danger, dominion over the weather, and instant transportation. It also reports the overcoming of grief, hunger, infertility, inherited illnesses, loss, lust, old age, and poverty. Brighten your life with the encouragement this book offers or share it with a friend in need.
