

The Power of SMART Goals

Anne Conzemius

This comprehensive yet easy-to-read book by the authors of The Handbook for SMART School Teams shows readers how to transform their schools into places where each and every student is meeting and exceeding standards by shifting thinking to a focus on results. Four real stories from primary, middle, and high schools that are implementing SMART goals give you a firsthand look at their probletunities - how they are turning challenges into opportunities for learning and improvement. The authors also provide templates and forms for implementing the SMART goals process in your own schools and classrooms.
