The Power of Thoughtful Leadership : 101 Minutes to Being the Leader You Want to Be

Lisa Kohn

As leaders-leaders of organizations, business units, teams, and/or families -we are all being called upon to do more, with less, quicker. We are often in overwhelm, constantly running on a leadership treadmill to simply stay in place and keep pace with demands. Thoughtful Leadership is an answer to this frenzy. It is a chance to invest the time to think through how you're leading and what you're doing before you actually do it, in order to be more effective. A chance to sit still, be present, reflect, think beyond your own needs and wants, focus on the big picture and get out of the weeds, look in the hard places, quiet the voices in your head, follow your gut and intuition...and lead - equipped to show up as your best self and achieve the greatest results. We counsel our clients to pause and think - to be still - before they take an action, even if only for a few moments. This pause allows them the opportunity to become proactive rather than reactive, and to attain the outcomes they truly seek for themselves, their businesses, and their lives. With The Power of Thoughtful Leadership you can take this pause and this time for yourself, and move closer towards realizing your goals and dreams. The Power of Thoughtful Leadership offers 101 thoughtful minutes that will help you align your work and life with your vision for your future.
