

# The Power of Time : The Interactive Nature of Time

Leland Benton, Dr Leland Benton

Quantum Physics - the Power of Time is all about the power of time, power force time, power over time, quantum physics, quantum theory, quantum mechanics, and time travel. Did you know you have the power to travel through time? The human mind possesses immense untapped power. Explore the power of the mind. Written by one of the nations leading behavioral scientists, Dr. Leland Benton is a best-selling Amazon author with over 200-books published on Amazon alone. Quantum physics sounds like a scary subject to most people because no author has attempted to write about it in terms that a layman can understand. This book is written in laymen terms and easy to follow as Dr. Benton teaches his readers how to unlock the power of the human mind. You need to read this book for it unlocks power that you possess and you dont even know it.
