

The Power of Words : Devotional Material

ALAIN YAOVI DAGBA

‘Ephphatha’ means ‘Be opened’. Jesus spoke this word to heal a deaf and a mute person in the Bible story in Mark 7: 32-35. These Ephphatha series carry powerful revelations about the word of God--revelations that open our spiritual ears and give us spiritual utterance to change our consciousness and positively alter the course of our lives. Many people who have read these series, whether Christians or not, testify of the power of these revelations. Now is your turn.
