The Power of Your Subconscious Mind & Steps To Success: think yourself rich, Special Edition by Dr. Joseph Murphy The Power of Your Subconscious Mind I have seen miracles happen to men and women in all walks of life all over the world. Miracles will happen to you, too- when you begin using the magic power of your subconscious mind. This book is designed to teach you that your habitual thinking and imagery mold, fashion, and create your destiny for as a man thinketh in his subconscious mind, so is he. Why is one man sad and another man happy? Why is one man joyous and prosperous and another man poor and miserable? Why is one man fearful and anxious and another full of faith and confidence? Why does one man have a beautiful, luxurious home while another man lives out a meager existence in a slum? Why is one man a great success and another an abject failure? Why is one speaker outstanding and immensely popular and another mediocre and unpopular? Why is one man a genius in his work or profession while the other man toils and moils all his life without doing or accomplishing anything worthwhile? Why is one man healed of a so-called incurable disease and another isnt? Why is it so many good, kind religious people suffer the tortures of the damned in their mind and body? Why is it many immoral and irreligious people succeed and prosper and enjoy radiant health? Why is one woman happily married and her sister very unhappy and frustrated? Is there an answer to these questions in the workings of your conscious and subconscious minds? There most certainly is. It is for the express purpose of answering and clarifying the above questions and many others of a similar nature that motivated me to write this book. & Steps To Success: think yourself rich It is your right to be rich, you know. Youre here to lead the abundant life. You are here to be happy, radiant and free. You should therefore have all the wealth you need to live a full, happy and prosperous life, of course you should.
