The Power of a Honeymoon Marriage : Black & White Photo Edition Discover the Authentic Blueprint for Planning, Preparing and Sustaining Happily-ever-after

Wladimir Joseph, Elyssa J. Wladimir

Marriage, dating, and a relationship with God: are they really different from each other? In fact, marriage or dating AND a relationship with God are extremely enmeshed. Often, trying to deal with a struggle in one area without looking at the other just prolongs the problem or never leads to the true solution. What we need is a comprehensive discussion about singleness or marriage PLUS our relationship with God. We don't mean stuffy treatises or watered-down chats. We need a non-clinical discussion about marriage with a Christian soul. The book invites you to that conversation. Join us as we take the topics of marriage and singleness and our Christian faith head on, covering everything you need to prepare for and experience a forever honeymoon. This book answers the questions: is there an authentic blueprint for successful dating or marriage relationships? And what does a honeymoon have to do with lasting love? The answer is shocking!
