

The Power of a Mother` Prayer

D Ralph Young

Love and commitment never change, and neither does the power of prayer. This book offers inspiration to those who need encouragement in their current circumstances. I have no other answer to the fantastic life that followed my navy career except my mothers constant prayer. A petition does not have to be a pious exercise seeking favors from God. It can be an honest conversation looking for favorable action from God. In The Power of a Mothers Prayer: The Life Story of D. Ralph Young, you will laugh with Ralph as he tells the heart-felt stories he encountered during his lifetime, cry with him about the numerous sad events he endured, travel with him to the many corners of the globe, and finally sit back to a good read as he describes his many friends, relatives, and co-workers throughout his eighty plus years of living.
