

# The Power of an Endless Life

Doug Fortune, Wade Taylor, John W Follette

There's a new breed of priest arising in the earth today. But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people... (1 Peter 2:9) We are all called to be priests, not just a select few. This new breed of priest understands CHANGE. This new breed of priest understands that the LAW has changed. No longer is it about right and wrong. Those who feed from the tree of the knowledge of good and evil are concerned with right and wrong. They are concerned with morality. Morality is a poor substitute for righteousness that is based in intimate relationship with the Father through Christ. It's NOT about right and wrong, it is all about LIFE and death, it is all about intimate relationship. I have LIFE through intimate relationship, because He IS my LIFE! There is no life without Him! The Melchizedek priesthood is a people of bread and wine, a people of true communion (common UNION) with Christ. The Melchizedek priesthood brings forth bread and wine as the very Life of Christ is manifested in their everyday life.
