

The Power of the Tongue

Eunice W Sam

Death and life are in the power of the tongue, and those who love it will eat its fruit.-Proverbs 18: 21, NKJV
The words we speak have power and authority to change circumstances either in the positive or negative direction. With our words, we either bless or curse our future or the future of other people. Therefore, this book has been written to help you know and understand how to use your words and the word of God to bless your life, your spouses, children, friends and colleagues. This book will also help you to know how to pray using the word of God, and above all, teach you how to live a victorious life. Finally, it will teach you what you need to do to accept Jesus Christ as Lord and Savior. May God Almighty bless you.
