

# The Powers of Kings

Andre Cronje

All men are reputed as nothing for God does according to His will in the army of heaven and among the peoples of the earth, and none can stay His hand or challenge Him. The Lords throne is in the heavens and His kingdom rules over all. One of the most shocking picture I ever saw was that of the Turkish President slapping Lady Justice through the face. A double injustice by violence against the very thing and ones he was elected to serve, love and to protect. Leaders and Lawyers are Gods scepter on earth and has the God given duty and responsibility to establish and secure both the moral and political laws to bring forth safety and security to all citizens seeking peace and justice. Submit yourselves to every ordinance of man for the Lords sake: whether it be to the king, as supreme or unto governors, as unto them that are sent by him for the punishment of evildoers, and for the praise of them that do well. For so is the will of God, that with well doing ye may put to silence the ignorance of foolish men: as free, and not using your liberty for a cloke of maliciousness, but as the servants of God. Honor all men. Love the brotherhood. Fear God. Honor the king.
