

# The practical bee-master

Keys John

The practical bee-master in which will be shewn how to manage bees either in straw hives or in boxes with more ease, safety, and profit, than by any method hitherto made public. This book, The practical bee-master, by John Keys, is a replication of a book originally published before 1780. It has been restored by human beings, page by page, so that you may enjoy it in a form as close to the original as possible. This book was created using print-on-demand technology. Thank you for supporting classic literature.
